Senior Marketing Manager

The Company

At Proto Labs, we're not only one of the fastest growing manufacturing companies in the UK, we're also the fastest in the world at what we do — so being extraordinary is a way of life. If you are looking for an extraordinary career opportunity, you've come to the right place as we are looking for additional people to join our team.

Proto Labs is the world's fastest source for custom prototype and low- to mid-volume parts. With our 3D Printing, CNC and Injection Moulding services, our speed and versatility lets you take your parts from the very early stages of prototyping all the way up to short-run production of 10,000+ parts — all with one technology-driven, quick-turn company.

The Role

You will support the daily activity in the Marketing Department in Northern Europe, with support for EMEA. You will assist with local and country wide campaigns, create integrated marketing programs to include segmentation by industry or defined target groups and manage marketing project implementation. You will support in the negotiations with publishers along with booking ads and co-ordinate exhibitions and events. You will also assist in the guidance of external PR and design agencies, support the identification and development of case studies and maintain marketing and competitor data analysis. Along with any other administration support required.

Skills and Experience

- Relevant degree, preferably Marketing or equivalent experience.
- Experience in a technical writing role.
- Experience in a promotional writing role.
- Ability to manage multiple projects simultaneously.
- Good written and oral communication skills.
- Database and/or marketing automation experience.
- German or French language skills an advantage but not essential.

The Candidate

The role will appeal to an individual capable of working in a fast paced environment. Driven to exceed customers' expectations at every opportunity, the individual will have the initiative to approach challenges with enthusiasm and the ability to react to rapid changes in prioritisation whilst maintaining a clear focus on the company objectives. Exceptional communication, attention to detail and previous experience in similar role are essential.

Benefits

- Company bonus scheme
- Company pension scheme
- Daily flexible working plan
- Childcare vouchers

- Excellent working environment
