

Real Parts. Really Fast.™

Graphic Designer £23,000 to £33,000 per annum

Reporting to

Senior Marketing Manager

The Company

At Proto Labs, we're not only one of the fastest growing manufacturing companies in the UK, we're also the fastest in the world at what we do — so being extraordinary is a way of life. If you are looking for an extraordinary career opportunity, you've come to the right place as we are looking for additional people to join our team.

Proto Labs is the world's fastest source for custom prototype and low- to mid-volume parts. With our 3D Printing, CNC and Injection Moulding services, our speed and versatility lets you take your parts from the very early stages of prototyping all the way up to short-run production of 10,000+ parts — all with one technology-driven, quick-turn company.

The Role

This is an exciting opportunity to join a rapidly expanding team. In this newly created role you will be primarily responsible for both conceptual and production-related graphic design projects for Proto Labs' EMEA marketing team. Projects will include both digital and print collateral, including web, HTML, print, photography, video, direct mail, corporate branding, sales collateral and other materials as needed.

Skills and Experience

- Proven experience in graphic design to include both digital, interactive, video and print
- Previous experience with a B2B, preferably manufacturing or engineering, company/client
- Excellent knowledge of video production
- Versed in desktop publishing tools such as InDesign, Illustrator, and Photoshop
- Relevant degree or equivalent experience

The Candidate

The role will appeal to an individual capable of working in a fast paced environment. You will have the initiative to approach challenges with enthusiasm and the ability to react to rapid changes in prioritisation whilst maintaining a clear focus on the company objectives. Exceptional time management and communication skills are a must along with the ability to take ownership for design elements and work together with others in a collaborative team environment.

Benefits

- Company bonus scheme
- Company pension scheme
- Daily flexible working plan
- Childcare vouchers
- Excellent working environment
